## **The Practice:**

At the time of prayer in college, various news such as educational news, world news, politics, economy, sports, business, industry, trade and commerce etc. are serviced by two students and it continues according to their college roll number every day. And they write thought of the day on whiteboard.

**Educational News:** The students service various exams news like AIIMS, UPSC, admissions in various universities, exam results

**Sports News:** A no. of sporting events is organized from time to time in the country & across the nations. One can get all information about the list of players, which game is going on currently, medals tally, players ranking, who won which medal, the winners & the competitors, etc. These types of news are serviced by our students.

**State and World News:** They service the news about what's currently happening in the world, the news could involve matters of high consequence, such as war, climate, the economy and national elections, or topics that are arguably more trivial, such as political sex scandals, celebrity gossip and debates on minor issues.

**Weather forecast:** They tell about everyday temperature and humidity level and any other weather report like rain,

**Remember the importance of the day:** They service the news about the importance of the day such as 5<sup>th</sup> June is World Environmental Day; 8<sup>th</sup> March is International Women's Day etc.

**Thought of the day:** They write thought of the day on whiteboard and everyone read it such as "Many of the economic challenges we face today stem from the neglect of supply side policies over the past decade or more"-Agustin Carstens.

## **Evidence of Success:**

In the time of teaching-learning process, the students take active part in debates, speeches and discussions with their teachers. They possess knowledge about different topics, he/she show the ability to speak without any hesitation in front of others. They reflect their vocabulary level in writing assignment in examinations. They say the updated educational news.

## **Problems Encountered and Resources Required:**

The problem faced by the college in covering the news is time. Different types of news are being happened all over the world. So, it is difficult to cover all the news because the lack of time in college.

## **Best Practuce-2**

**Title of the Practice:** Greenery and Cleanliness of the College

### **Objectives of the Practice:**

- (i) To keep the college campus green and clean.
- (ii) To create awareness among the students to live with nature.
- (iii) To treat environment as their friend.
- (iv) To create healthy environment in college.
- (v) To aware the student community regarding the conservation aspects of nature.

### **The Context:**

In the recent time, the nature is being destroyed rapidly due to excessive use. Therefore, it is immensely important to preserve the nature in all possible ways. When a student learns about the conservation of nature, he/she can also help his family and neighbourhood by making them aware about the importance of nature.

Therefore, Gopal Chandra Memorial College of Education has made humble attempt to aware the student about the importance of nature through its “Clean and Green” practice. Even though the conservation of nature is challenging in modern times it can be possible only by educating the students and involving them practically in the field.

### **The Practice:**

in college campus is one worth mentioning good practice in our college. Because, Gopal Chandra Memorial College of Education believes in sound learning in green campus. It is this idea of ‘Clean and Green’ which we want to inculcate in the peoples of New Barrackpore so that they take responsibility in themselves to make their surroundings clean.

- (i) Holding awareness camp on conservation of nature from time to time.
- (ii) Planting trees in campus enough number of dustbins is placed in the college campus.
- (iii) Vermicompost unit for disposing college organic waste.
- (iv) Celebration of important dates related to our best practice.

### **Problems encountered and Resources Required:**

There is a problem to plant the trees due to small ground in our college. Greenery and Cleanliness can be more effective and extensive if we associate with NGOs or institutions having expertise in respective field. Efforts are being made to tie up with NGOs or institutions.
