Action Report of the meeting no-22 of IQAC Dated-02/08/2017

1. Students of the third semester were prepared for internship by the respective method teachers. All the method teachers provided demonstration lesson before their students. Students of each method subject also provided demonstration lessons. After that those students were sent to different practice teaching schools of our college. Necessary steps were taken by the faculty members to transact curriculum properly in semester-I.
2. Feedback forms were prepared for the students and parents by the faculty members and distributed to the concerned individuals.
3. Different types of cultural competitions were organised by the student's council with the help of concerned teacher.
4. To maintain quality teaching learning processes all the teachers developed their own study material for the students. Faculty members also conducted collaborative and co-operative teaching-learning processes for the development of their students.
